

VEHICLE INFORMATION GROUP 2  
**TOYOTA FORTUNER 2.8L AUTOMATIC**

The Toyota Fortuner is a powerful and reliable SUV that delivers exceptional performance on Namibia's sand and gravel roads. Designed to handle challenging off-road terrain with ease, it combines rugged capability with refined comfort, making it a popular choice for self-drive travellers.

Equipped with a 2.8-litre turbo diesel engine, high ground clearance, and large tyres, the Fortuner ensures a smooth and stable driving experience, even on rough tracks. Its elevated seating position offers an excellent vantage point for wildlife viewing and scenic photography along your journey.

Inside, the Fortuner offers a touch of luxury with its comfortable and spacious interior, making it ideal for travellers who value both adventure and comfort. It comfortably accommodates 4 to 5 passengers, with ample luggage space for travel gear.

The Fortuner 4x4 is suitable for dune driving in the Namib Desert and can also be used for tours to Angola (*please note: Dune-trips or travel to Angola is only permitted with prior written approval from Africa on Wheels, and different rates and conditions apply – contact us for details*).

This versatile SUV features a 6-speed automatic transmission and a selectable four-wheel-drive system for optimal performance on varying terrains. Additional features include a 120L fuel tank, power steering, ABS brakes, air-conditioning, a radio, and a USB port to ensure your journey is comfortable and enjoyable.

**BASIC EQUIPMENT:**

2 spare wheels, spade, jumper cable, tow rope, broom and dustpan, jack and wheel spanner, 12 V Compressor, warning vest.

Additional equipment is available on request at an additional fee.
