

VEHICLE INFORMATION GROUP 4
Toyota Land Cruiser HJ 300

Experience Namibia and Southern Africa in exceptional comfort and style. The Toyota Land Cruiser HJ 300 GX.R combines the rugged power of a high-end four-wheel drive with luxury and class, making it the perfect choice for travellers seeking both performance and refined travel.

With its high ground clearance and large tyres, this vehicle ensures a smooth ride across all terrains while offering an elevated vantage point for wildlife viewing. No other vehicle handles sand and gravel roads with such ease and confidence.

The spacious interior accommodates 4 to 5 passengers comfortably. Its powerful V6 3.3L diesel engine, paired with a 10-speed automatic gearbox, delivers outstanding driving performance. As a permanent 4x4, it features a centre differential lock and low-range gearing for the most challenging conditions (low range is engaged when stationary and in neutral).

Equipped with a 110L fuel tank, it offers a practical range of approximately 850 km, ideal for long journeys into remote areas. The HJ 300 GX.R comes with air conditioning, radio, USB connectivity, power steering, and ABS – ensuring comfort, convenience, and safety on every kilometre of your adventure.
